1. How many years have you been a member of PASS?  
 I have been a member of PASS for six years.
  
2. Briefly detail leadership roles you have held with PASS.  
 I led the PASS Performance Virtual Chapter from January 2012 through December 2012, and was a volunteer for the Performance VC from June 2010 until I took over as the leader.  
 I was a member of the Nomination Committee in 2013 and 2014.  
 I served as Secretary of the Ohio North SQL Server User Group from September 2010 through February 2015, and helped organize SQLSaturday events in Cleveland in 2011, 2012, 2014, and 2015.
  
3. Outline professional boards you have served on.  
 As stated previously, I served as Secretary of the Ohio North SQL Server User Group Board for over four years.
  
4. Why do you want to serve on the PASS NomCom?  
 I would like to serve on the PASS NomCom for two simple reasons: I *want* to volunteer for PASS, and I believe it is my responsibility to contribute to give back to the PASS community. I recognize that there are numerous ways in which I could help the PASS organization, but volunteering for the NomCom is a responsibility with which I have experience. I am fully aware of the commitment for the NomCom, and I know I can make the time for the required meetings, candidate interviews, etc. I have worked with PASS team members previously, including select Board representatives as well as individuals who work behind the scenes, and I have extensive knowledge of the process and procedure for the elections process (including NomCom involvement). Because of my prior involvement, I have a vested interest in continuing to refine and improve the PASS election process – including the involvement of the NomCom. I would greatly appreciate the opportunity to serve on the Nomination Committee again, and help support the current and future leadership of the organization.
