

PASS Board of Directors Elections: Process for Awarding Seats

There are three full-term (two-year) seats up for election for the 2018 PASS Board of Directors election. Two are regional seats: One will represent US/Canada and one will represent LATAM (Mexico, Latin America, and Caribbean). The third seat is an Open seat with no regional restrictions. All elected Directors start their two-year term on January 1, 2019.

The voting ballot this year will be much the same as previous years: a single ballot listing all candidates. The ballot will also indicate which seat(s) an individual is eligible to win. For the regional seat, an individual must reside in a given region in order to be eligible to win that seat*. Anyone eligible to run in the election is eligible for the Open seat. Community members who are eligible to vote will be granted as many votes as there are seats up for election and may vote for whomever they choose - they will not be forced to cast one vote specifically tied to each seat. Once all of the votes are in, the regional seats will be awarded first, followed by the Open seat.
