

## Nominations Committee – Letter of Interest

### **CONTACT INFORMATION:**

Name: Joshua Higginbotham

[Redacted]

Local Group or Virtual Group: Louisville SQL and Power Bi User Group

1. How many years have you been a member of PASS? 5 – 6 years
2. Briefly detail leadership roles you have held with PASS. I've lead a Local Pass Chapter based out of Louisville, KY for the last two years, co-organized the Louisville SQL Saturday for the last 2 years, and served on last years NomCom.
3. Outline leadership roles, or other professional boards, that you have served on. Currently serve as the Chairman for the Veteran Resource Group at Republic Bank. As the Chairman, I oversee the effort to establish an understanding of what our Veteran workforce looks like from experience, while helping to foster community outreach programs for the Veteran community here in Louisville.
4. Why do you want to serve on the PASS NomCom? Last year, my goal joining the NomCom was to gain a better understanding of what it meant to be a board member as well as what the board needed as far as leadership. The hope, at least at that time, was to run for the board in 2020 – 2021. From the experience that I gained during my time on the NomCom, as well as reviewing feedback from the community on what they would like to see from their leadership, I have realized that I do not fit what the community needs at this time. However, I would like to use this knowledge that I have gained over the last year, to help find the candidates that will lead the community during these unprecedented times and hopefully run for the board at a later time when I feel that I am ready.
5. Briefly describe how you could bring diversity to this committee. As a former member of the Armed Forces and still young within my career, I feel like I could help bring in groups outside of PASS that currently gravitate to other communities or areas of focus.
