

Nominations Committee – Chair

Erin Stellato

The PASS Board is happy to announce that Erin Stellato has been appointed Chair of the 2020/2021 NomCom. Erin was nominated by previous Board member and NomCom chair, John Martin. She has served on the NomCom multiple times, including 2016-2019, and accepted this responsibility. Erin is a perfect fit for this role due to her past years of experience and knowledge of the PASS community.

Erin Stellato is a Principal Consultant with SQLskills and lives in Cleveland, OH. She has over 20 years of technology experience and has worked with SQL Server since 2003. Her areas of interest include internals, performance troubleshooting and tuning, and HA/DR. Erin is a Microsoft Data Platform MVP and an active member of the SQL Server community, volunteering for PASS in multiple ways since 2010. She is involved with the Ohio North SQL Server User Group and blogs at SQLskills.com/blogs/erin. You can find her on Twitter at [@erinstellato](https://twitter.com/erinstellato).
